## Parish and City of Lafayette Redistricting 2020

## Introduction

- Why Total Population increased by 20,175 (9.1%) but not evenly
- Evaluate the existing population changes
- Discuss changes with members
- Create alternatives
- Provide web maps for study and review
- Present plans for public input
- Plan adoption
- Package files, maps and tables to submit to Secretary of State

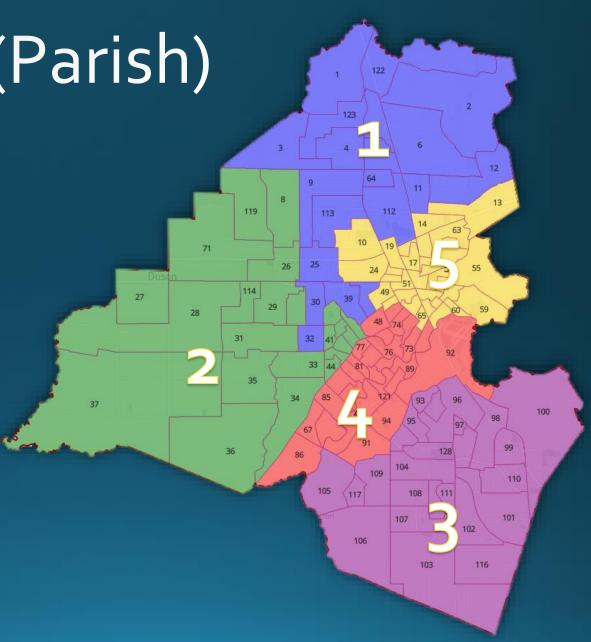

## **Redistricting Principles**

#### Equal protection and representation (one person = one vote)

- ±5% for each district or under 10% overall deviation
- Equal Protection Clause (14<sup>th</sup> Constitutional Amendment, 1868)
- Non-discriminatory (to minority communities)
  - Voting Rights Act (Section 2, 1965)
- Protection of incumbents
- Compactness
- Contiguous
- Similar Communities (or communities of interest)

## Existing Districts (Parish)

- The existing Parish Council district configuration has a population variance of over 49% which is unacceptable
- District 5 has a Minority Majority population (64%) which should try to be maintained in all redistricting alternatives and plans
- District 3 has a population in excess of 30% of the ideal size
